EXAMINER	<i>Robert Freedman</i> 7.13.04		DATE CONSIDERED	

EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609; Draw line through citation if

not in conformance and not considered. Include copy of this form with next communication to Applicant.

1. The attached cited information should not be construed as an admission that any of the above items are prior art to the

subject invention.

2. This is not a representation that a search has been made.
